There has been a recall of cantaloupes from Farm-Wey Produce of Lakeland, Fla.

**Sun Rich Fresh Foods has not used any of these cantaloupes in any of our products. We have confirmed through our documentation and our suppliers that the cantaloupes that we have used and are currently using are not part of this ongoing recall.**

Food safety is our primary concern and all of our fresh cut fruit processing facilities follow strict food safety protocols that include vendor audit programs to ensure Good Agricultural Practices, raw material inspection, employee hygiene, temperature control, HACCP, cleaning and sanitation, pest control and many others.

We will continue to monitor any further recall notices and will take the appropriate actions however at this time we are confident that our products are safe.

If you have any other questions or would like to further discuss this matter please feel free to contact me at (888) 386-4199 ext 122.
